MESSAGE FROM THE CHIEF PATRON

I am pleased to know that Hahnemann College of Homeopathy is organising 'International Homeopathic Seminar London 2015'. I extend my best wishes to all, who are organising and attending this special event.

It is important for all current and future practitioners of Homeopathy to have true understanding of the subject.

The education of Homeopaths should be ongoing so as to keep up with any honest advances, but there is no safe practice without a true knowledge of fundamental principles of Homeopathy.

Charles Tankard Hahnemann

MESSAGE FROM THE COLLEGE PRINCIPAL

Dear Homeopaths and Students

I am pleased to invite you to attend the International Homeopathic Seminar London 2015. Although most of you are well informed about Homeopathy and its application in eradicating human suffering, even then there are continuous advances in this noble medical science.

It is always good to enhance your Homeopathic knowledge. Keeping this in mind, we are organising this special seminar and I hope that it will add some of the latest knowledge, enabling you to serve the ailing community with more confidence and tact.

I look forward to welcoming you to this event.

Dr Shashi Mohan Sharma
